Let's Dig Together

Join us for Lent, Holy Week, and Easter as we explore the roots of our faith and seek ways to go deeper with God, ourselves, and each other. In addition to worship, we've got other activities to help with the exploration.

Lenten Creativity

If you'd like to add a spiritual practice for Lent, you are invited to a journey of reflection and transformation on Saturday mornings **March 9–April 13**, from **9:30 to 11:30 am**. You can color, draw, paint, collage, write, create shrines or mandalas. We'll have quiet space to reflect, journal, read a devotional, listen to music, knit. You can meditate, walk the labyrinth, pray, and experience our prayer stations.

Lenten Devotional

Stop by to get a free copy of "The Poetry of Lent: A Lenten Companion to Mary Oliver's 'Devotions,'" a guide for a six-week journey with Mary Oliver. The guides illuminate ancient passages of scripture; provide bite-sized meditations on Lenten themes; and suggest every-day practices. With this guide, your Bible, and the poems of Mary Oliver (available on line, if you don't have the book), you'll have an inspiring Lenten journey.
