CHURCH IS A PLACE FOR CONNECTING AND A PLATFORM FOR DOING.

It's a place to feed our spirit and spread
that fullness into the world, whether we
want to build a safe haven for youth,
work for justice, deepen our faith,
protect this spectacular place, take care
of our neighbors or teach the world to
sing...the list is up to us. And it's as long,
or as short, as bold or as timid, as we
decide to make it.

Yes, this is about the money. But really,
it's about deciding what you want to
make possible through God's abundance.

When Sprinklers Runneth Over

It was fun (for some of us) to worship
in half a sanctuary this past summer
during repairs following January's great
flood-but it came at a cost.

While we give thanks that insurance
covered much of the damage and repairs,
our Major Maintenance Fund was sorely
depleted (after also reducing pledge
dollars to its budget last year). This fund
is just one of the ways your pledges
power this church.

We also have bold visions; possibilities
becoming realities. Our congregation has
expenses such as salaries, building
maintenance, office supplies and
program materials.

The only way we fulfill these ministries is
to commit to a budget with promised
pledges from our congregation.
We are aiming for 100% participation.
Please thoughtfully consider what
investment is right for you. In God all
things are possible.
