Information Sheet:

Parents or guardians are welcome to observe and participate with children.

At FCCB, we will observe safety protocols to guard against the spread of COVID. We ask that all participants wear masks while indoors. Kid sized and adult sized masks will be available, but feel free to bring your own mask.

In addition to bringing your own mask, please bring a water bottle with your name on it. We'll have plenty of cold water available to refill water bottles.

Please wear comfortable clothes that you are willing to get dirty. We are planning lots of hands-on activities and some may be messy.

Pickup time is 12 noon at FCCB, except Wednesday, when pickup will be at Broadway Park.

On Wednesday, August 17, staff from the Bellingham Parks Department will work with us on a Park Stewardship program at Broadway Park. This includes clearing out invasive species.

Please have your children wear long pants and closed toe shoes that day. Long sleeves and sunscreen may also be helpful. On Wednesday only, please pick up children at Broadway Park at noon. Nancy and David Fayram's house will serve as our command center that day. Their address is 2604 South Park Dr Bellingham, WA 98225. All the other days pick up will be at FCCB.

On Thursday, staff from the Humane Society will bring animals to visit. Please let us know if your child has any allergies or fears related to animals.

Thank you for your interest in caring for creation! We are excited about the program!
