

PNC Women's Retreat

Oct 4-6, 2024 at Pilgrim Firs

Honoring our Sacred Stories

Join women of the Pacific Northwest Conference at Pilgrim Firs for a weekend of faith, fellowship & fun! You are invited to set aside intentional time for renewal.

Our retreat leader this year is Jan Kinney and a member at Prospect UCC in Seattle. She has a PhD in Women's Studies specializing in Spirituality and Religion. Jan also has some divinity training and frequently provides pulpit supply preaching within the conference.

We will tell our own sacred stories, and create rituals and altars that honor our life-changing events. How do we make these events sacred? What materials, actions, words, or art will help us affirm the sacredness of our lives?

Come as you are. Participate as you feel called.

This gathering is expansive to include all women, cis and trans, as well as non-binary people comfortable in a space that centers on the experience of women.
